

MIND SHIFT

ERWIN RAPHAEL MCMANUS

■ FOUNDER, MCMANUS MASTERMINDS AND THE ART OF COMMUNICATION

Erwin Raphael McManus is a renowned life architect, an award-winning author, and artist. His books have sold over one million copies and have been translated into more than a dozen languages. His new and highly anticipated book, *Mind Shift: It Doesn't Take a Genius to Think Like One*, dissects the internal limitations that hold you back from becoming the leader you are meant to be.

Inspired By Leaders

Who are the leadership voices that have had the most significant impact on your life?

Structured For Failure

Erwin shares with leaders the thought that it is possible your limitations are not external, environmental, or structural.

Who or what do you attribute for the *failures* throughout your leadership?

Who or what do you credit for the *successes* throughout your leadership?
